

Portable Printer

T9BT

Model:T9BT

Features :

- Direct thermal printing method
- Mobile thermal receipt printer
- Quick and efficient printing
- Easy drop-in clamshell paper loading
- Support USB and Bluetooth communication
- Continue printing when battery in charging

Printing Type	Thermal Printer
Character	Chinese : GB18030
	English : ASC119
Resolution	8 dots/mm, 576 dots/line
Printing Speed	Printing speed: 80mm/s (average)
Print Font	GB18030 24×24
	ASCII 9×24 12×24
Character per line	48
Effective printing width	72mm
Paper widths	80 ± 0.5 or 76 ± 0.5mm
Interfaces	USB, Bluetooth
Power adapter	9V DC/2A
Battery power	:7.4V DC/1.5A rechargeable Li-ion
Battery duration	100 continuous printing
Dimensions	103X99X46mm
Color	Black
Weight	260g (excluding roll paper)
Operating /Storage temperatures	-10~50°C / -20~60°C
Operating/Storage humidity	20~80% / 5~95%
